

**ONTARIO
SUPERIOR COURT OF JUSTICE
IN BANKRUPTCY AND INSOLVENCY**

**IN THE MATTER OF THE PROPOSAL OF
WASAYA AIRWAYS LIMITED PARTNERSHIP and WASAYA GENERAL
PARTNER LIMITED OF THE CITY OF THUNDER BAY
IN THE PROVINCE OF ONTARIO**

PROPOSAL

WHEREAS:

- A. Wasaya General Partner Limited ("WGPL") is the general partner of Wasaya Airways Limited Partnership ("WALP" and, collectively, with WGPL, the "Debtors" and each individually a "Debtor").
- B. WALP carries on a commercial aviation business in Northern Ontario;
- C. Each of WALP and WGPL filed a Notice of Intention to Make a Proposal ("NOI") on April 12, 2016, (the "NOI Filing Date") pursuant to section 50.4 of the *Bankruptcy and Insolvency Act* (the "*BIA*");
- D. The operational restructuring of the Debtors has been undertaken and is substantially complete. The Debtors wish to effect a restructuring of their financial affairs in the expectation that all creditors will derive a greater benefit from this Proposal and the continued operation of the Debtors than if there was a forced liquidation of the Debtors' assets;
- E. Each of the Debtors hereby submits the following Proposal to all of their respective unsecured creditors (the "Unsecured Creditors"), in accordance with the *BIA*;
- F. This Proposal is presented in parallel with the concurrent Proposal filed separately by Wasaya Airways Leasing Ltd. ("Leasing").

Effect of Proposal

- 1. This Proposal restructures the financial affairs of the Debtors and amends the terms of any and all agreements between the Debtors and their creditors existing as at the NOI Filing Date and provides the essential terms on which all claims will be fully and finally resolved and settled. During the Proposal period, all creditors will be stayed from commencing or continuing any proceeding or remedy against the Debtors or any of their property or assets in respect of all unsecured claims including, without limitation, any proceeding or remedy to recover payment of any monies owing, to recover or enforce any judgment against the Debtors in respect of a claim or to commence any formal proceedings against them other than as provided for under this Proposal. Upon acceptance by the creditors and approval by the Court, Unsecured Creditors will be deemed to have released and discharged all claims that arose prior to the NOI

Filing Date against the Debtors and the Debtors' current and former officers and directors, as applicable.

Persons Affected

2. This Proposal will, as of the Effective Date (as defined in paragraph 10(a) below), be binding on the Debtors and the Unsecured Creditors.
3. Substantially all of the indebtedness owing to the Unsecured Creditors is owed directly by WALP. However, since WGPL is the general partner of WALP, it is also liable at law for any claim against WALP. In order to reconcile the above and avoid unnecessary duplication, the following rules apply to the claims made by Unsecured Creditors under this Proposal:
 - i. All claims asserted by Unsecured Creditors against either Debtor will be treated as claims in each Debtor's estate;
 - ii. Unsecured Creditors only need to submit one proof of claim form with respect to their claim;
 - iii. Only one joint meeting of the Unsecured Creditors of the Debtors will be held to consider and vote on this Proposal;
 - iv. If an unsecured creditor wishes to submit a proxy or voting letter, only one proxy or voting letter needs to be submitted; and
 - v. Dividends will be based on the proven claims submitted by Unsecured Creditors (without duplication) and only one distribution will be made to each unsecured creditor with a proven claim. Distributions will be made or issued by WALP; however, WGPL will be jointly liable for all payments.

Benefit of Proposal

4. This Proposal is the best option for the Debtors and their stakeholders at this time. If this Proposal is not approved by the Unsecured Creditors, the Debtors will be deemed bankrupt and affected stakeholders, including suppliers and the Unsecured Creditors, will receive nothing and be worse off than if this Proposal is implemented.

Secured Creditors

5. Payment of the claims of the secured creditors will be made in the following manner: the holders of secured claims will be paid in accordance with the present arrangements existing between the Debtors and the holders of secured claims or as may be arranged between the Debtors and the holders of secured claims. For greater certainty, the Debtors have acknowledged and agreed that the claims of Royal Bank of Canada ("RBC") and the Business Development Bank of Canada ("BDC") in particular are not affected by this Proposal.

Preferred Claims

6. Payment in priority to all other claims as directed by the Act to be so paid in the distribution of the property of a bankrupt will be provided for as follows:

Preferred claims, without interest, shall be paid in full in priority to all claims of unsecured creditors.

Fees and Expenses

7. Provision for payment of all proper fees and expenses of the Proposal Trustee, the legal costs of the Proposal Trustee and the Debtors and other fees incurred on and incidental to the proceedings arising out of this Proposal, including the preparation of this Proposal, will be made in the following manner:

All such fees and expenses will be paid in priority to all claims of preferred and Unsecured Creditors.

Crown Claims

8. All claims of Her Majesty in right of Canada or a province of a kind that could be subject to a demand under subsection 224(1.2) of the *Income Tax Act* (Canada) or under any substantially similar provision of provincial legislation and that were outstanding as at the NOI Filing Date will be paid in full within six (6) months of the date this Proposal is approved by the Ontario Superior Court of Justice [Commercial List] (the "Court").

Employees

9. In the case of employees and former employees of the Debtors, amounts at least equal to the amounts that they would be qualified to receive under paragraph 136(1)(d) of the *BIA* if the Debtors became bankrupt on the NOI Filing Date together with all wages, salaries, commissions or compensation for services rendered after the NOI Filing Date and before the date of Court approval of this Proposal will be paid to the employees and former employees of the Debtors immediately after Court approval of this Proposal. For greater certainty, employees will continue to be paid in the normal course and, as such, will be unaffected by this Proposal.

Unsecured Creditors — Unsecured Claims

10. Provision for payment of all claims of Unsecured Creditors, being those persons with claims not referred to in paragraphs 5 to 9 of this Proposal, including claims of every nature and kind whatsoever, whether due or not due for payment as of the date of this Proposal, and including contingent or unliquidated claims arising out of any transaction entered into by the Debtors prior to the NOI Filing Date will be made as follows:
 - (a) Unsecured Creditors with proven claims in the amount of \$1,000 or less will receive payment in full of their proven claims on a date which is not later than thirty (30) days after the Effective Date. For the purposes of this Proposal, "Effective Date" means the date of approval of this Proposal by the Court, provided that the appeal period relating thereto has expired with no appeal taken therefrom or, in the event of an appeal, the date such appeal is finally dismissed or withdrawn;
 - (b) Unsecured Creditors with proven claims in an amount greater than \$1,000 but less than \$10,000 will receive a dividend in the amount of \$1,000 payable not later than thirty (30) days after the Effective Date;

- (c) all other Unsecured Creditors will receive a dividend equal to ten (10) cents on the dollar on the amount of their proven unsecured claims in four (4) equal instalments over a twelve (12) month period, without interest, payable as follows:
 - (i) the initial instalment no later than thirty (30) days after the Effective Date; and
 - (ii) thereafter, additional instalments on each of the dates which are 4, 8, and 12 months after the Effective Date;
- (d) any unsecured creditor holding a proven claim in an amount in excess of \$10,000 that has been accepted by the Proposal Trustee may elect in writing at any time after the meeting of creditors up to the first dividend payment date to receive the sum of \$1,000 payable on the first payment date referenced in subparagraph (a) in full and final satisfaction of its claim and in lieu of the amounts otherwise payable under subparagraph (c);
- (e) on the Effective Date or within twenty (20) days thereafter, WALP will pay to the Proposal Trustee an amount sufficient to enable the payment of the aggregate dividends payable as set out in subparagraphs (a), (b), (c)(i) and (d); and
- (f) thereafter, WALP shall pay to the Proposal Trustee an amount sufficient to enable the payment of the dividend instalments payable to all remaining Unsecured Creditors on or before each of the dates referenced in subparagraph (c)(ii).
